ERRATA ORDER

(Issued June 17, 2002)

On June 6, 2002, the Utilities Board (Board) issued an order in this docket denying the Complainants' motion for expansion of order. On page 3 of that order, the first full paragraph reads as follows:

On May 8, 2002, Complainants filed a "Motion For Expansion Of Order," asking the Board to state that the compliance tariffs to be filed June 10, 2002, are to be effective from and after January 25, 2002, the date the Board waived its CCL rule, rather than from and after October 25, 2002, the date the Board issued the final decision and order. Complainants cite no authority for their motion.

The reference to "October 25, 2002," should have read "October 25, 2001."

By this order, the Board corrects that error.

IT IS THEREFORE ORDERED:

The first full paragraph on page 3 of the "Order Denying Motion For Expansion" issued in this docket on June 6, 2002, is corrected to read as follows:

On May 8, 2002, Complainants filed a "Motion For Expansion Of Order," asking the Board to state that the compliance tariffs to be filed June 10, 2002, are to be effective from and after January 25, 2002, the date the Board waived its CCL rule, rather than from and after October 25, 2001, the date the Board issued the final decision and order. Complainants cite no authority for their motion.

All other provisions of the June 6, 2002, order are unchanged.
